Sasolburg*

**ADMISSION POLICY  
OF  
AFRIKAANSE HOËRSKOOL, SASOLBURG**

Whereas Afrikaans High School Sasolburg (hereinafter referred to as “the School”) is a public school, having juristic personality by virtue of the provisions of Sections 15 of the South African Schools Act, No. 84 of 1996 (as amended) (hereinafter referred to as “SASA”), the governance of which is entrusted to its School Governing Body (hereinafter referred to as “the SGB”), referred to in Section 16 of SASA;

And whereas the SGB is empowered in terms of Section 5 of SASA to determine the School’s policy regarding the admission of learners to the School and grades at the School, subject to the provisions of SASA and any applicable Provincial Law;

And whereas the SGB is mindful of the following enactments (hereinafter referred to as “the enactments”) relating to the question of the admission of learners to the School or different grades at the School, namely:

- (i) The Constitution of the Republic of South Africa 1996 (hereinafter referred to as “the Constitution”);
- (ii) the South African Schools Act, No. 84 of 1996 (as amended);
- (iii) Section 3(4)(i) and 5 of the National Education Policy Act, No. 27 of 1996 (“NEPA”);
- (iv) The Admission Policy for Ordinary Public Schools, published by the Minister of Education in Government Gazette No. 19377 dated 19 October 1998 (Notice No. 2432/98) (hereinafter referred to as the “Ministerial Policy”); and;
- (v) applicable provincial laws.

And whereas the School and its SGB defer to the relevant provisions of the enactments to the extent that they may be valid and binding upon them and take precedence over

the power of the SGB to determine the admission policy of the School, whilst being determined to ensure the full implementation of the School's admission policy within the parameters of the enactments and any other applicable enactments from time to time;

Now therefore the SGB, on behalf of the School, declares the School's Policy for Admission of Learners to the School or different grades at the School, to be as follows:

## **1. APPLICATIONS FOR ADMISSION TO THE SCHOOL**

1.1 It is acknowledged that –

- (a) the Head of Department (Education) (hereinafter referred to as “the HOD”) and/or officials of the Department of Education (DOE), including the Principal, delegated by the HOD (hereinafter referred to as “the HOD delegate(s)”) is/are responsible for the administration of the admission of learners to the School; and
- (b) the HOD/the HOD delegate(s) must determine a process of registration for admission to public schools in order to enable the admission of learners to take place in a timely and efficient manner.

1.2 It is emphasised that the HOD/the HOD delegate(s)/the School Principal must (and will be required to) take this policy into account demonstrably, fairly and in accordance with law at all times whilst acting in accordance with paragraph 1.1 above, or whilst engaged in the process of deciding upon applications for admissions. The School and its SGB will also require the HOD/the HOD delegate(s)/the School Principal to allow the SGB full access to and copies of any registers or files kept as part of the admission process.

1.3 The School and the SGB require the HOD/the HOD delegate(s)/the School Principal to add to the prescribed application form, and ensure the completion by the Applicant of the Schedule of Information required by the governing body attached hereto.

- 1.4 The School and the SGB require the HOD/the HOD delegate(s)/the School Principal to ensure that Applicants are informed of and in writing acknowledge having read and understood:
- (a) the SGB Constitution;
  - (b) the School's Language Policy;
  - (c) the Code of Conduct for Learners; and
  - (d) this Admission Policy.
- 1.5 The School and the SGB subscribe to the view that according to law, and in the absence of a Court Order directing otherwise, the legal guardian(s) of a minor learner has/have the exclusive right to decide upon the school where their child/ward is to be enrolled. Consequently, the School and SGB do not recognise an application as being valid, unless made by the guardian(s) or person(s) by order of Court entrusted with the custody of the minor learner, or a person or persons thereto authorised by them in writing. The School and the SGB also regard adherence to this approach as being essential in that it ensures that valid permission may be given for the treatment of the learner *in loco parentis*, for the learner to embark on excursions, and so forth. Consequently, the HOD/the HOD delegate(s)/the School Principal are required to ensure that this approach is strictly adhered to.
- 1.6 The SGB undertakes to support the HOD/the HOD delegate(s)/the School Principal in encouraging the persons referred to in paragraph 1.5 to apply for the admission of their children/wards before the end of the year preceding the next school year.
- 1.7 Subject to this Policy, the SGB requires the HOD/the HOD delegate(s)/the School Principal to co-ordinate the admission of learners to public schools, including the School, in consultation with it and undertakes to give constructive support in ensuring that all eligible learners are suitably accommodated.

- 1.8 The School and the SGB require strict observance by the HOD/the HOD delegate(s)/the School Principal of the following provision of the Constitution as a prerequisite to any decision to be taken regarding the admission of a learner to the School –

**“28 (2) – A child’s best interests are of paramount importance in every matter concerning the child.”**

## **2. THE SCHOOL’S CODE OF CONDUCT FOR LEARNERS (INCLUDING DRESS CODE)**

The Applicant is to note that whilst his/her refusal to subscribe to the School’s Code of Conduct for Learners (including dress code) cannot be an obstacle to the admission of the learner to the School, the Code is nevertheless binding on the learner. Section 8(4) of SASA provides as follows:

“Nothing contained in this Act exempts a learner from the obligation to comply with the code of conduct of the school attended by such learner.”

The Applicant is encouraged to support the School in familiarising him/herself with the School’s Code of Conduct for Learners and seeing to the observance thereof by the learner.

## **3. SCHOOL FEES**

- 3.1 The Applicant is to note that the failure or refusal or inability of parents (as defined in Section 1 of SASA) to pay school fees cannot be an obstacle to the admission of the learner to the School.

A learner is admitted to the full school programme and may not be suspended from attending class, refused entry to cultural, sports and social activities, refused a school report card or transfer certificate, or be victimised in any other way based on his/her parents’ –

- (a) inability to pay school fees or failure to have done so at any stage;

(b) failure to support the mission statement and code of conduct of the School;

(c) refusal to enter into a contract in terms of which the parents waive their right to claim for any consequential damage relating to the learner's education.

3.2 In terms of Sections 38-41 of SASA, a budget meeting of parents of learners enrolled at the School must be held on thirty (30) days' written notice to parents. At the meeting the majority of parents present decide whether or not to accept the budget prepared by the SGB for the next financial year. At the same meeting the majority of parents present and voting may decide that the payment of school fees is to be compulsory, what the amount of school fees per learner per year will be, and what criteria will be used to grant total or partial exemption to parents who are unable to pay the compulsory fees or the full compulsory fees. Parents who are unable to pay any of the fees or the full amount of the fees are entitled to apply to the SGB on the prescribed forms for total or partial exemption from the payment of school fees. Such applications must be dealt with in confidence by the SGB, which must act fairly and apply the abovementioned criteria and the provisions of the applicable ministerial policy and Regulations Relating to the Exemption of Parents from Paying School Fees in Public Schools (Government Notice R1052), a copy of which will be furnished to parent(s) on request. Parents applying for relief may request an educator at the School or any other person to assist him/her/them with the application. A parent/ parents who feel aggrieved at the decision of the SGB may appeal to the HOD, following the procedure set out in the said Regulations.

3.3 It is important, however, for Applicant(s) for exemption to note that the combined annual income of parents is taken into account in the decision as to whether or not the parent(s) qualify for exemption. "Combined annual gross income of parents" is defined in Regulation 1 of the aforesaid Regulations as –

“the gross income of all the parents of a learner as defined in the Act, calculated together ...”.

3.4 “Parent” is defined in SASA to mean-

- (a) the biological or adoptive parent or legal guardian of the learner;
- (b) the parent legally entitled to the custody of the learner; or
- (c) a person who undertakes to fulfil the obligations of the persons referred to in (a) and (b) towards the learner’s education at the school.

So, for example, if the learner has a father and mother, but lives with his/her aunt, who is a person such as the one referred to in (c) above, the combined gross income (before tax or deductions) of all three, the mother, father and aunt, will be taken into account in deciding whether there may be a total or partial exemption from the payment of school fees.

3.5 It is for this reason that the details of all persons who fall within the definition of “parent” must be furnished to the School in the application for admission. Any change in “parent” as related in die Schools Act must be reported to the school within 30 days after the change. This also applies to a change of address.

3.6 The Applicant’s attention is drawn to the following provision of SASA –

(Section 41) – “The governing body of a public school may by process of law enforce the payment of school fees by parents who are liable to pay ...”

3.2 Parents of learners are encouraged to support the high standard of education and the sound school facilities and environment by paying school fees and, where they are exempted totally or partially from the payment of compulsory school fees, to offer their services to the SGB for the benefit of the School.

#### **4. DOCUMENTS REQUIRED FOR ADMISSION**

A parent will be required to complete an application form for admission, which must be provided to him/her by the school principal.

Together with the application form, the parent must submit to the principal an official birth certificate of the learner. Should the parent be unable to furnish a birth certificate, the learner may be provisionally admitted until a copy of the certificate has been obtained from the regional office of the Department of Home Affairs. The principal is required to inform the parents that any false statement with regard to the age of the learner constitutes a crime. The parent must ensure that the admission of the learner is finalised within three months following provisional admission.

Upon application for admission, the parent must produce evidence that the learner has been immunised against the following illnesses: polio, measles, tuberculosis, diphtheria, tetanus and hepatitis B.

Should a learner move from one public school to another, the principal must complete a transfer card and either hand it to the parent or forward it to the other school.

See **schedule A** to this policy for a full list of documents required for admission.

#### **5. LEARNER AGE REQUIREMENTS FOR ADMISSION TO THE SCHOOL OR VARIOUS GRADES OF THE SCHOOL**

A learner who falls outside the age norm by more than two years will not be considered for admission. The age norm is the grade plus 6 years.

#### **6. REGISTRATION PERIOD**

- 6.1 Application for admission starts in August and closes at the end of December with regard to the enrolment of learners for the following year.

- 6.2 Therefore, parents who wish to enrol their children at the School for the first time must register the learner at the School in the year preceding the school year to which the learner's application for admission pertains.
- 6.3 All applications for admission to the school on behalf of a learner must be submitted to the principal.
- 6.4 The learner's parents will receive written notice of the acceptance or refusal of their application, within a reasonable time or the period determined by the HOD.
- 6.5 All unsuccessful applicants will then be waitlisted in chronological order and advised also to apply at other schools apart from the School.
- 6.6 The School will keep a proper register of all applications for admission.

## **7. APPEALS PROCEDURE**

Should a parent be dissatisfied with the School's decision not to admit a learner to the School, such parent may appeal against the decision to the Member of the Executive Council in terms of section 5(6) of SASA.

## **8. CAPACITY**

The SGB has determined the School's maximum capacity for learner admission as follows:

Total capacity of the school: 814

The following factors were considered in determining the School's capacity:

- That learners' best interests have preference
- The number of educators available
- The space available for administrative needs
- The number of appropriate classrooms available
- Space needs for sports, cultural and recreational activities
- The available space in the current media and computer centres, science and technology laboratories and the school hall

- The sanitary facilities available
- Parking facilities
- Safety measures
- The maximum number of learners permitted per class
- Internationally recognised best practice with regard to class size in order to deliver effective and efficient quality education

See **schedule B** with regard to determining capacity.

## **9. SCHOOL PROPERTY**

The Applicant's attention is drawn to the following:

(1) Every learner of a public school shall take good care of the property of the school which is placed at his/her disposal, and shall return it to the school on or before a date specified by any educator employed at the school.

(2) The parents of a learner at a public school shall be liable for any damage to or loss of school ... property in respect of which the learner concerned is liable to the ... school.

(3) It is the duty of every parent to assist the State and the governing body of a school to promote a culture of respect for school property.

## **10. RISK OF DAMAGE OR LOSS**

The Applicant is notified that the School accepts no liability for the damage to, or destruction or loss of any property brought on the School premises by the learner or his/her parent(s). It matters not who causes such damage, destruction or loss, how it is caused, whether it is caused by someone's act or failure to act, or whether it is caused by someone's intention or negligence. The School accepts no liability. Learners are encouraged to safeguard property brought onto the School premises, and Applicants and parents of learners are encouraged to take out their own insurance against such damage, destruction or loss.

## 11. ORDER OF PREFERENCE REGARDING APPLICATIONS FOR ADMISSION

11.1 Unless and until the HOD, after consultation with the SGB, decides otherwise, the natural feeder area of the School is . . . (name of town or district).

- a) Sasolburg
- b) Vaalpark
- c) Kragbron
- d) Deneysville
- e) Greater Vaal Triangle

11.2 The School is currently a parallel medium institution as stipulated in the Language Policy of the school. Therefore it is equipped with human resources to cater primarily for those learners whose mother tongue or chosen language of tuition is the medium of tuition at the School.

11.3 Whilst the School and SGB know that they may not unfairly discriminate against a learner on whose behalf an application is made for admission, and have no intention thus to discriminate, and whilst they are desirous of playing their part in the education of learners in partnership with the State, they appreciate that the School cannot accommodate all learners and that some process of (fair) discrimination regarding admission of learners is inevitable. Therefore, and in view of the foregoing, it is the School's policy that the following preference be afforded to applications

–

(a) First, those in respect of learners *bona fide* (genuinely) residing with their parents (as defined in SASA) within the natural feeder area of the School, and whose mother tongue is the medium of tuition of the School.

(b) Second, those in respect of learners *bona fide* (genuinely) residing with their parents (as defined in SASA) within the natural feeder area of the School, and whose chosen medium of tuition (the choice being exercised

by the parent(s) in the application of admission) is the medium of tuition of the School.

- (c) Third, those in respect of learners whose parent or parents is/are genuinely employed at an address within the natural feeder area of the School, and whose mother tongue is the medium of tuition of the School.
- (d) Fourth, those in respect of learners whose parent or parents is/are genuinely employed at an address within the natural feeder area of the School, and whose chosen medium of tuition (the choice being exercised by the parent(s) in the application for admission) is the medium of tuition of the School
- (e) Fifth, learners residing outside the natural feeder area of the School, whose mother tongue is the medium of tuition of the School, and who wish to study a subject or subjects offered by the School and no other school closer to the learner's place of residence.
- (f) Sixth, learners residing outside the natural feeder area of the School, whose chosen medium of tuition (the choice being exercised by the parent(s) in the application) is the medium of tuition of the School, and who wish to study a subject or subjects offered by the School and no other school closer to the learner's place of residence.
- (g) Finally, learners residing outside the natural feeder area of the School, and whose mother tongue or chosen medium of tuition is the medium of tuition of the School, on the basis of first come, first served.

Notwithstanding the foregoing, the SGB reserves the right, in conjunction with the district director, to afford overriding preference to siblings of learners already enrolled at the School.

## **12. REQUIREMENTS**

Save where the provisions thereof will not serve the best interest of a learner or other learners, the SGB and the School refer to the Ministerial Policy.

## **13. ADMISSION OF NON-SOUTH AFRICAN CITIZENS**

Applications for admissions of non-citizens will be dealt with in accordance with paragraphs 19-21 of the ministerial policy.

## **14. THE SGB AND THE LEARNERS OF THE SCHOOL**

14.1 All learners will be required to observe their duties and are entitled to exercise their rights and require the observance of their rights as set out in the Code of Rights and Duties of Stakeholders of the School.

14.2 The SGB considers itself to be in duty bound to protect the educators, learners, parents and non-educators of the School from physical or mental violence to the full extent of its power to do so and further, to foster the physical, mental and moral welfare of learners. To this end, the SGB  
-

(a) reserves the right to scrutinise the disciplinary and behavioural record of any prospective learner of the School, and to take all steps within its power to prevent the admission of a learner whose conduct or behaviour may endanger the very interest the SGB considers itself to be in duty bound to protect;

(b) may enquire from and take issue with the HOD concerning the wisdom of admitting a learner to any grade in the School when the learner will be severely prejudiced by reason of the inability of the learner to communicate or be communicated with at the level required for proper tuition to take place in that grade;

(c) may take whatever steps may be reasonably practicable, given the resources and circumstances of the School, to assimilate a disabled prospective learner into the School; and

(d) requires a member of staff or a learner or any learner's parent(s) to report to it any matter relating to the abuse of the rights or invasion of the interests which it seeks to protect.

## **15. THE PARENTS AND THE SCHOOL/SGB**

15.1 The parents(s) of learners are requested to complete the prescribed consent form to enable the School staff to act in the best interest of the learner in cases of emergency or to relieve the learner's pain or discomfort until the parent(s) can intervene.

15.2 Parents of learners at the School have, apart from their duties, several rights. *Inter alia*, they have the right to be consulted regarding the formulation of the School's language and religious policies and code of conduct, or any material amendments thereto. They are also invited to submit recommendations and proposals to the SGB regarding the supplementation or amendment of existing policies or the existing Code of Conduct for consideration by the SGB.

15.3 Parents are encouraged to become involved in all the activities of the School, to offer to serve in the governance structures and support groups serving the interests of the School community, and to support the education process by interacting constructively with educators and ensuring that set work and homework is done by the learner conscientiously and punctually. Parents are also required to ensure that their children are properly equipped to participate fully in the tuition process and that they attend school punctually and regularly.

## **16. REPEATING GRADES**

Repeating grades very seldom leads to a significant increase in the learner's abilities. In fact, the opposite often occurs. The norm for repeating grades is one year per school phase, where necessary. A learner will not be permitted to repeat a grade more than once.

The SGB may at its discretion decide to refuse a matric learner who applies for readmission, on the grounds of the School's capacity, infrastructure and the size of the Grade 12 group to which the learner wishes to be admitted.

## **17. This Policy may be amended, supplemented, modified or altered from time to time by the SGB.**

#### **DETERMINING LEARNER CAPACITY**

The following facilities have been taken into consideration:

1. Classrooms (provided by state)
2. Classrooms (provided by governing body)
3. Other facilities not appropriate as classrooms
  - Laboratories
  - Computer centres
  - Media centre
  - School hall
  - Offices
  - Staff room
  - Meeting rooms

Provided by governing body

- Restaurant
- Gymnasium

4. Dressing rooms

## **AHS CAPACITY**

**(SABS 0400 standards determine that each learner must have 0,9 m<sup>2</sup> room to move, and each educator 2,25 m<sup>2</sup>.)**

Learners per class (according to SABS 0400-standards)

Formula: Class size (m<sup>2</sup>) minus total number of learner tables (m<sup>2</sup>), educator's table (m<sup>2</sup>) and other furniture/equipment like cupboards (m<sup>2</sup>), minus 2.25 m<sup>2</sup> (room for educator), minus 5 m<sup>2</sup> (moving space from door and in front of writing board ÷ 0.9 m<sup>2</sup> (movement space per learner) = learner capacity per class

Learner table surface = 56 x 46 cm<sup>2</sup>  
 35 learner tables = 35 x 0.2576 m<sup>2</sup>  
 = 9.016 m<sup>2</sup>

Educator table surface = 135 x 73 cm<sup>2</sup>  
 = 0.9855 m<sup>2</sup>

Cupboards and shelves = 2 m<sup>2</sup>

Class size = 6.75 x 7.75 m<sup>2</sup>  
 = 52.3125 m<sup>2</sup>

Learners per class:  $52.3125 \text{ m}^2 - 9.016 \text{ m}^2 - 0.9855 \text{ m}^2 - 2 \text{ m}^2 - 5 \text{ m}^2 - 2.25 \text{ m}^2 \div 0.9 \text{ m}^2$   
 = 37

Capacity of school: 22 (number of classes suitable for normal tuition) x  
 37  
 = 814

**(See attached SABS 0400 building regulations for the calculation of the number of facilities according to the number of persons)**

**Local bylaws, such as fire and other safety measures  
(Consult local building and/or fire bylaws)**

### **Explanatory notes**

1. The SGB has made a contribution to the benefit of learners and has facilitated class sizes of  $\pm$  (number) for purposes of efficient education, and not to increase school capacity.
2. In terms of the National Curriculum Statement (January 2008) on Consumer Studies, classes should not exceed 20 learners per class.
3. Due to occupational safety concerns, no more than 24 learners should be accommodated in any laboratory at any stage.
4. Toilets and washbasins are already overutilised.
5. Currently, there are no opportunities for expansion on the school grounds, nor is there any SGB funding available.
6. Sports grounds can accommodate only a limited number of spectators (1 person per m<sup>2</sup> – see attached table 2).
7. Roving staff members, i.e. those without classrooms, should be kept in mind.
8. Temporary classrooms provided by the state are made of asbestos. Some of the buildings have a limited life span and require a great deal of maintenance, while others may pose a safety risk.

**The School is filled to capacity if 814 learners have enrolled.**
