

Afrikaanse Hoërskool Sasolburg Welcomes you to EDUvelopment

Online Career Guidance is now available for your child!

Dear parent/guardian

We specialise in Online Career Guidance and Life Skills Development.

Affies Sasolburg has partnered with us to give your child personal access to the A - Z of Career Guidance!

Each learner will receive their own personal profile where they will be able to explore the platform!

For this to be possible you will need to register your child on the below link.

[Register you child now](#)

Your child will receive an email confirming that they are now registered and can log in to start their personalised journey of self-development! Please note that you will be copied into all our correspondence with your child.

As a parent, you will also have access to our online platform through the parent portal.

Once you have registered your child, you will be taken to the Parent Portal where you will have to change your password.

This will allow you to track your child's progress, and to discover vital information to give your child that all-important head start in life!
